CERTIFICATIONS

Web developer Intern   (01 June 2023)
CodeClause

this is my Internship experience

Hi! My name is Ankit.

I am a Second year BCA student who is skilled in building and designing the frontend of websites. Additionally, I have expertise in JavaScript to enhance the aesthetic appeal of websites.

I am actively learning new skills by working on projects, and I have a strong passion for creating websites. Apart from web development, I am proficient in other programming languages such as C and C++. I also have experience with frameworks like Bootstrap and Tailwind CSS. Furthermore, I have knowledge of React.js, WordPress, Node.js, Express, and a basic understanding of MongoDB.

WORK EXPERIENCE

Code clause   (01 May 2023   01 June 2023)
